CASE NO. 2:23-cv-0068
JUDGE CRENSHAW
MAGISTRATE JUDGE NEWBERN

DEFENDANTS' UNOPPOSED MOTION FOR EXTENSION OF TIME TO
FILE CORRECTED ADMINISTRATIVE RECORD

Defendants, the United States Department of Agriculture, Risk Management Agency, and the Federal Crop Insurance Corporation ("Agency Defendants"), by and through the United States Attorney and the undersigned Assistant United States Attorney, respectfully move for an extension of time until **July 22, 2024**, to file a corrected administrative record. For cause, the Agency Defendants state as follows:

The current deadline for filing a copy of the certified administrative record was **July 1, 2024**, per the Court's Order. (ECF No. 14). The administrative record in this case is over 12,000 pages. In compliance with the Court's Order, the Agency Defendants filed the administrative record as ordered; however, the filed record contained multiple technical issues which were unknown to the Agency Defendants at the time of filing. In addition, Plaintiff's counsel is also unable to access the full filed copy of the administrative record. (ECF Nos. 15-34).

The undersigned has contacted Plaintiff's counsel regarding this motion and is authorized to state that he has no opposition. This case will be decided solely on cross motions for judgment on the administrative record, which are due on **October 11, 2024** (ECF No. 12), thus, no other deadlines will be impacted by Agency Defendants' request.

Therefore, the Agency Defendants request an extension of time until **July 22, 2024**, to refile a corrected administrative record which will resolve the technical issues with the initial filing.

Respectfully submitted,

HENRY C. LEVENTIS
United States Attorney
